

The Pittsburgh Innovation District

- Genomic research
- Phase 1 Vaccine Development

The Cortex Innovation Community, St Louis

- Genomic research
- Research on Immunotherapies and Antibodies
- Phase 1 Vaccine Development
- Centralize Data/Data Analysis on Spread

Copenhagen Science City

- Genomic research
- Phase 1 Vaccine Development

Galway Innovation District

- External Mitigation (e.g. Masks)

The Knowledge Quarter and St Mary's Hospital Campus, London

- Genomic research
- Phase 1 Vaccine Development
- Centralize Data/Data Analysis on Spread

Be'er Sheva Innovation District

- Accelerate/Improve Diagnostics

The Hagastaden Innovation District, Stockholm

- Genomic research
- Research on Immunotherapies and Antibodies
- Phase 1 Vaccine Development

The Milan Innovation District

- Genomic research
- Accelerate/Improve Diagnostics
- Centralize Data/Data Analysis on Spread

The Melbourne Innovation District

- Grow the virus in laboratory
- Genomic research
- Research on Immunotherapies and Antibodies
- Phase 1 Vaccine Development
- Research on determine vaccine efficacy and safety

COVID-19 Confirmed cases on 12 March 2020
